To Whom It May Concern,

Re: Adventure Events

This is to confirm that Adventure Events is raising money for Cornwall Air Ambulance Trust.

Adventure Events are once again holding their Cornwall Summer Events programme, with five weeks of activities including fitness bootcamps, sightseeing flights, clay shooting and falconry experiences.

This is the third year Adventure Events have supported Cornwall Air Ambulance, and each year their fundraising just gets bigger and better. In 2012, the events raised almost £13,000 for the charity, and this year, Adventure Events have pledged a minimum of £15,000 to Cornwall Air Ambulance Trust.

With no central government funding, it is only because of the generous support of our donors - including companies like Adventure Events - that we can ensure the service is there, free at the point of need, for anyone who needs it.

Cornwall Air Ambulance Trust needs to raise £2 million per year to keep this vital, life-saving helicopter flying. The helicopter attends around 1,000 emergency missions per year all over the county, and to many patients over the past 25 years, the Cornwall Air Ambulance has, undoubtedly, meant the difference between life and death. On behalf of all of our airlifted patients, their friends and families, thank you for your support.

If you have any questions or concerns, please do not hesitate to contact me.

Yours Sincerely,

Tom Matthews
